Erratum

Photographers are becoming the invisible people at Cinema Canada, and we apologize. Chris Rensing, a student at Concordia University, took the photo used on the cover of Cinema Canada, issue no. 54. Ron Watts deserved credit for the Title Shot photos in issue no. 55 rather than for the Summer's Children for which he was erroneously credited. He also took the strike shot used on page 1 of CinéMag, no. 18. And talking about Cin-eMag, Lois Siegel took the pictures of Michael McCabe, Harold Greenberg and David Novek in issue no 17 and the shot of Running, used on page 1 of no. 14.
