Saskatchewan Film Development Officer

As a motivating force behind film development, you will contribute your highly developed management skills and film production experience towards leadership, support and direction of this growing Saskatchewan industry. Reporting directly to the Film Advisory Committee, you will be responsible for:

- policy development
- loan fund management and maintenance
- pre-production loan assessment (internal/external)
- project application assessment/recommendations
- office management
- corporate relations (representing the province in dealings with the public, the industry, associations, and departments outside the province).

Qualifications

- Extensive working knowledge and senior management experience in the film and television industry
- Solid understanding of planning, financial and business management principles and practices within the industry
- Effective, creative leadership skills
- Excellent communication skills
- Excellent human resource management skills.

Salary

Commensurate with experience.

Please submit application/resume by February 28, 1989 to:
