Feature Film Releases 1975

Prepared by D. John Turner at the National Film Archives for Cinema Canada.

The following films were released commercially or had their first public screenings in 1975. In cases where a premiere was followed immediately by commercial release, the date is that of the commercial release.

The information given includes the date of release, the title of the film, the name of the director. The date following the director's name is the year of production (the year during which the last principal photography took place). Next comes the release information.
