The figures in the NATIONAL OVERVIEW are the box-office grosses, compiled from individual theatres of the four major chains in Canada (Famous Players, Odeon Theatres, Landmark and Cineplex) in the six major Canadian cities: Montreal, Toronto, Winnipeg, Edmon-

ton, Calgary and Vancouver. Figures are given separately for each week in the time-framed covered, and the accumulated gross is given from the date of release to the last week in the current chart. CURRENT GROSSES are given, when available, on Canadian films (or others if

not presented in one of the four major chains). Slots marked -/- indicate the film did not play during that week.
